WARRANTY

1 YEAR LIMITED WARRANTY

I. Description of Warranty

This warranty applies only to the original consumer purchaser for one year from obtaining the product and is not transferable. QZ Direct warrants all of its cabinetry with a 1 Year Limited Warranty. In the event that any QZ Direct product fails during the course of normal use, QZ Direct will either repair or replace the defective product at its own discretion and as determined solely by QZ Direct.

II. Intended Use of Product

To be covered by this warranty, the product must only be used for its intended purpose(s). Cabinets that have been improperly stored, installed, misused, modified, abused, mishandled, and or subject to excessive moisture or extreme temperatures are not covered under this warranty. Whether the work was performed by a contractor, QZ Direct or yourself, any expenses involved in the shipping, removal, installation, or consequent damage of the defective product is not covered under this warranty. This warranty does not apply to products installed in mobile homes or recreational vehicles.

III. Anticipated Variance in Product

The properties of natural wood are such that it can react to climactic or humidity changes found within most homes. As much as half of the weight of freshly cut wood is water. QZ Direct doors and face frames are manufactured from solid wood that has been carefully kiln dried, retaining just enough moisture for proper construction and finishing. The center panels of some of the QZ Direct doors are wood and some are medium density fiberboard. As a product of nature, solid hardwoods continue to react to their surroundings long after manufacture. When cabinet doors are in a warm, moist environment (high relative humidity), they expand. In a dry, colder environment (low relative humidity), they will contract. Expansion and contraction can be controlled but never eliminated even with humidity regulation. Melamine and thermofoil doors are designed to perform well in controlled interior applications. Like all wood products, they are also affected by their environment and will respond adversely to abnormal heat, humidity, dryness or cold. Problems associated with extreme environmental conditions are not covered under this warranty. Door panels are prone to minor expansion and contraction as seasonal temperature and humidity changes occur in a home. The contraction or shrinkage of the center door panel during low humidity periods may result in the appearance of an unfinished line along the edge of the center panel. QZ Direct does not consider the appearance of an unfinished line as a product defect and will not replace doors due to this situation. It is recommended that a humidity control system is incorporated in a home to reduce the possibility of expansion and contraction in wood products.

All of the doors for QZ Direct cabinetry are manufactured in controlled environments under precise tolerances. Although slight door warpage can be common in one or two doors within a newly installed kitchen, any door that has not hung through a complete heating and cooling cycle has the possibility of warping. Slight warpage can be eliminated through adjustments of the adjustable hinges.

Normal movement is typical on all cabinet materials, certain climatic conditions can cause finish breaks, recesses, and joint and panel lines.

An open joint line is not considered a defect and is not covered under this warranty. Proper humidification of homes in extremely dry environments is strongly recommended. Discoloration may develop on doors, drawers, and cabinet parts over time or after continued exposure to smoke. This is remarkably apparent on lighter finishes. We do not warrant discoloration in our products due to exposure to smoke of any kind.

IV. Product Repair or Replacement

Throughout the duration of the warranty period, QZ Directs sole obligation is to repair or replace any defective product for no charge at the discretion of QZ Direct. This warranty only applies to cabinets and affiliated products sold by QZ Direct. The warranty does not cover the removal, transportation or installation of the defective or replacement material. Any items not specifically manufactured by QZ Direct will be subject to the warranty of the original manufacturer and dependent on the availability from our supplier. QZ Direct will not be liable for damage due to installation, removal, repair or labor charges. Warranty is limited to replacement or repair of defective parts or materials only. In the event that a claim is filed after the original product has been discontinued or cancelled, QZ Direct will honor the warranty, at their discretion, subject to the availability of the product, by either:

- Repairing or replacing the defective product with a new product of the similar style.
- Repairing or replacing the defective product with a product of equal value and complementary style in order to maintain the appearance of the original cabinetry purchase.

An exact match between the finish of the original purchased product and the replacement or repaired product is not guaranteed.

V. Rights of Consumer

There are no other warranties, disclosed or indicated, associated with this product. This document serves as a description of the consumers definitive legal rights within the transaction and is the exclusive warranty of QZ Direct. The exclusion or partial limitation of contingent or substantial damages is not permissible in some states. The consumer may also have further rights from state-to-state which are not cited in this warranty.

VI. Submission of a Claim

All claims must be submitted to QZ Direct where the cabinets were originally purchased. Claims are to be submitted in writing. Client must notify QZ Direct within 10 days of discovering an item in need of warranty. Failure to notify within 10 days may, at contractor's discretion void this warranty. Client's hiring of others or direct actions by Client or Clients 's separate contractors to repair a warranty item are not covered by this warranty and will not be reimbursed by QZ Direct. Every claim must include a dated copy of the original sales receipt as a proof of purchase. Unless and until the product is specifically requested by QZ Direct, please do not send the defective item(s).

QZ LEAD TIMES

NOTE: All Lead-Times take effect once QZ Direct has accepted the order and have received the first payment.
